

## VSF148 Vinyl Background 1.48×4m

E-IMAGE VSF148 vinyl background measures 1.48×4m and is useful for stills or video work. It is a durable, wrinkle-resistant background that can be easily cleaned with a sponge and mild household cleaner to be used over and over again. Also it is large enough to use for both floor and backdrop.

This durable vinyl background is wrinkle resistant, waterproof, easy to clean.

## Cloth Tape (Optional)

It is ideal for securing background solutions to the floor when using E-IMAGE'S vinyl background.
